### Autumn 2024 - Extra-Curricular Activities

Clubs for the Autumn Term will be as follows. Please note the start and end dates for all clubs, as they are different – therefore keep a copy of this letter to hand for your records.

Before signing your child/ren up for clubs, please talk to them about their preferences and about commitment. Once a place has been allocated, children are expected to attend **all** sessions unless they are ill, or an unavoidable event prevents their attendance – not just because they don't fancy it. Support from parents to ensure their child attends all sessions would be much appreciated. **Staff would appreciate it if you could inform the school office on the odd occasion that your child/ren may not be able to attend.**

As a gentle reminder, clubs that are run by staff are done so voluntarily at the end of a busy with the children. They choose to run clubs linked to their own interests and strengths that they feel the children. Apologies if the clubs if not listed for certain year groups – they may do in the Spring term. Some clubs are offered to specific year groups as to run such a club across all year groups may pose challenges which could affect the enjoyment for all. As a rule, at Heather clubs are not offered to children in EYFS (Reception). The purpose of the clubs is to provide enrichment for the children – not to provide parents with free childcare.

All children who join our clubs need to understand that the school rules still apply, and a high standard of behaviour is expected at all times.
